

BETLES ARE FLYING

The bark beetles started flying, today, June 2nd...so **it is time to put up the MCH packs**. The packs should be put up by June 16th. You can pick them up at the winter parking lot near the garbage compactor on Saturdays and Wednesdays from 1:00 to 2:00 PM. If those times do not work for you, contact Bill Conway at 541-729-6259 or at arrowheadforestmanager@gmail.com to make other arrangements. There are a few extras for sale if you didn't order.
