The AVFD is sponsoring a drive for both winter outer wear and food bank donations. There are donation bins at the firehouse and they will remain there until after the Christmas party. The donated items will be taken to Gunnison for distribution. Thank you for your support!"

### Arrowhead Snowmobile Club update

Sixty-seven members and growing! Wow! What a great community! I have attached an updated list of members.

We had a good turn out for our first meeting. Thanks to each of you that were able to attend. Our next meeting will be November 13, 4:30 PM at the Inn. Mark your calendars.

The October issue of the **Snow Scoop** is in the mail. You should receive them by this week. Please let me know if you do not receive a copy. My issue arrived and when checking out our 8 Business Memberships, I realized that a membership that joined in September was not listed. Snow Scoop has been notified and it will be added under Cimarron by the next issue. Rob Robbins, Master Motorsports is one of our Business Memberships. He provides Off Highway Vehicle (OHV) service and can be reached at 970-862-8308 or 970-209-8880. His location at 140 lake Road is certainly convenient for Arrowhead ATV and snowmobile owners. Also, Dave Fisher Electric, Inc., 970-234-7100, will be added to the Snow Scoop under Grand Junction. Let's be certain to patronize our Business Memberships!

If you have any questions, suggestions, or concerns, please get in touch with me or with Eric Johnson, Club President, [ericandstar@msn.com](mailto:ericandstar@msn.com).

Best regards,

Please call Billie Ellis 862-8220 or Joyce Boulter 862-8449 for more details and to see what you can bring to the pot luck.
