

Mountain Living Update Welcoming the New Year 2010

December 30, 2009

The new Snowmobile Club Groomer excites Arrowhead Residents and visitors. The photos below were taken by Linda Dysart, Clyde Vavrik, and Lucia LeBon.

Come On Snow-We are ready for you!

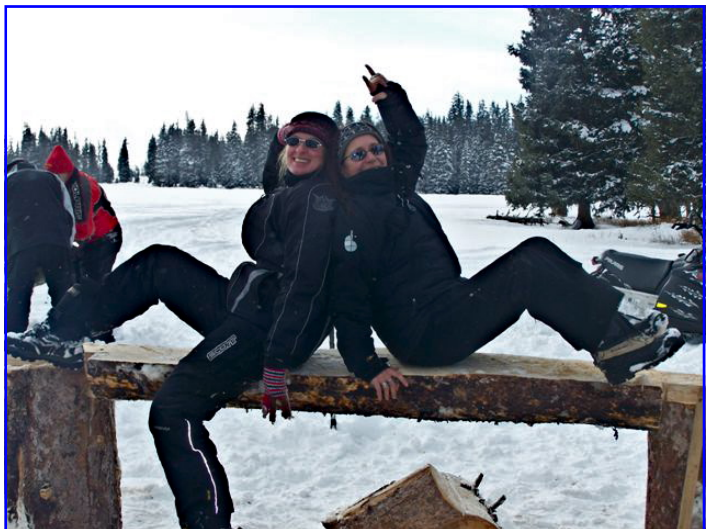

Special thanks goes out to Lucia, Eric, Ron, Star, Sally and all the people who made this effort come together. This groomer will also be doing our filing roads this winter.

The first ride up to Willow Park was taken in December. The group decided that there was a need for a bench/table at the campfire area. They had a wonderful day enjoying the ride, food and friendship. They rode the new trail down on the way back. The 3 community rides are Jan. 23rd, Feb. 13th and March 13th. Meet at the Inn at 10:30 and bring something you would like to cook over the bonfire!

Kevin, Michael, Bob, and Bill sharing in the fun.

Linda Dysart keeps track of our snowfall . Here is her report:
From Oct. 5 to Oct. 30 we had 23" of snow, but most of it melted. Beginning Nov. 13 the snow started sticking and we've had 44" since then. Thus, a total of 67". The heaviest snowfalls were on Nov 13-15 with 10 1/2" and Dec. 6-9 with 17 1/2". **Thanks Linda!**
