2010 AVFD Picnic

This years Picnic was great fun from the cooking of brats and burgers, to the children's games, photos on the Fire Truck, horseshoe games, Flea Market, and vender booths. There were several new vender booths, but old or new there were a lot of nice craft items available. This was another great fund raiser for AVFD. Thanks to all those who volunteered and all those that came out for the event!

Your support is appreciated!

Our Arrowhead "Grill'en" Machines!

Emma posing for the Fire Truck Photos

Happy 4th of July from Arrowhead and the AVFD

Fire Chief Brent and Head of Security Reinie

Great New booth!

Joanna with her beautiful pots made out of gourds

Burneta showing her sculptures

Summer time at Arrowhead is always beautiful but the Lupines have been extra pretty this year!

Submitted by Bridget Isles. Our grandchildren were here for a week, and this is a photo of them fishing with Lucia's old mare Wendy. They had been down to the stables that morning hugging Wendy's legs.....she so loves the attention and is so great with little kids, that when they went down that evening to Flint Lakes, she walked all the way down there just to be with them. The photo below is lunch break on a Sunday ride, (Lucia, Katie, Joanie and Bridget) photo by Steve Isles.

A Good or Bad Friday night ?
Submitted by a good friend (we think) - Nick Garreffa

Super Pot Luck next Tuesday will be a German food theme. This event is held at the Fire House 6:00 p.m.

377 adult food tickets were sold at this years Annual AVFD Picnic. The top money makers were the Flea Market, food sales and AVFD merchandise sales!

Coming Up... The Summer Fire House Games and Pancake Breakfast will be held Saturday, September 4th! The AVFD pancake breakfast will begin at 8:00 the games follow afterwards. **Don't miss the Fun and Food on Labor Day weekend.**

Smokey is Back!
Thanks goes out to AIA and Clyde Vavrik for getting our Bears back!

Actually, Clyde cut out new plywood bear shapes and added the "Smokey the Bear" decals. It should be noted that this photo was taken when the danger level was low, it is now set at high. Photo by Cheri Ratliff
