Happy
Thanksgiving
Arrowhead

Do
you
recogn-
ize
this
dog?

Photos by Cheri

Toy Story's Woody (aka Jack) was out Halloween night trick or treating. Thanks for coming by!

*The wheelchair accessible ramp at the fire house has been completed. Nice job!

*The water company has put out dark green markers by water valves along the subdivision roads— watch for these in the snow this winter.

* The AIA Board gave \$50 Inn gift certificates to Randy Touslee and Kathy Leary for their work on the Board. Their terms end in December. **THANK YOU!**

October's AIA meeting. From the left Bob Hernandez, Randy Touslee, Paul McDermott, Diane Benson and Don Koeltzow.

Winter hit Arrowhead

on October 21st and then again on October 25th. The winds were strong on the 25th and 30 plus- trees were down on the roads. Several places had some damage to vehicles, houses and snow-mobiles. Security has been contacting property owners who have sustained damage. We received 5 or 6 inches of snow, which has been melting this week.

The AVFD Christmas Party will be held on December 8th this year. More details later.

The Inn's Holiday Schedule:

Reservations required

Community Thanksgiving Dinner November 18
