ARROWHEAD IMPROVEMENTS ASSOCIATION
ONLINE COMMUNITY NEWSLETTER

PARADE OF LIGHT: THE RECAP

Over 50 joyous participants in 39-sleds and 6 "side by sides" enjoyed:

- ❄️ 16 decorated cabins
- ❄️ Lots of fabulous food
- ❄️ A beautiful chilly moonless night

Many thanks to our wonderful and dedicated community members who braved the cold to create beautifully festive displays for everyone to enjoy!

Participants voted for their favorite 2018 Decorated Cabins and the prizes were awarded to:

- ❄️ Winner: Joanie Aufderheide
- ❄️ Runner-up: Guy & Debbie Thomas
- ❄️ 3rd Place: Earl & Kay Fay
- ❄️ 4th Place: Lori & Gary Dean
- ❄️ 5th Place: Dick & Linda Bloss

Honorable Mentions: Grosvenors, Petersons, Kahns, Wallers, Ericksons, Darnell's, Thompson's, Morris's, Shultz's, Matteson's, & Stevie.

We are looking forward to seeing what you come up with for next year's displays. Your displays get more exciting every year!

Many thanks to all who participated:

- ❄️ Arrowhead Mountain Lodge
- ❄️ Arrowhead Snowmobile Club

Organizers, sponsors, leaders, community members, riders, and family members who joined us at the Lodge for a great feast.

August 2018

ARROWHEAD IMPROVEMENTS ASSOCIATION, INC.

Election Committee Members Needed!

At the January 19, 2019 AIA Board meeting, the Board of Directors announced that it is **seeking three (3) members for the Election Committee**. This committee handles the election of the Board of Directors each year and any other election which requires a vote of the owners.

If you are interested in serving your Arrowhead community as an Election Committee member please send a letter of intent to the Election Committee Board Liaison, Keith Dalton at kdalton.aia@gmail.com. Your letter must be received no later than April 15, 2019.

Any questions, please contact Keith.

The Board of Directors, under the commendable leadership of our former President, Kim Norwood was able to accomplish a great amount of work last year: moving the Forest Refuse Site to AIA common ground, restating the Articles of Incorporation, holding numerous review meetings on the proposed restated and amended Regulations, voting in a new Camping and RV Use Regulation, finalizing employee job descriptions, voting on the 2019 budget and undertaking a comprehensive review of AIA insurance policies. I am blessed to be able to serve alongside my fellow board members who are dedicated, talented and willing to sacrifice personal time away from family and friends to serve this community.

Your 2019 AIA Board of Directors, include:

- President:** Patty Greeves **Vice President:** Dick Bloss
Secretary: Keith Dalton **Treasurer:** Lowell Kindschy **Directors:** Kim Norwood, Jim Matteson and Larry Kontz

Each of us also takes on the responsibility of being a Board Liaison to oversee the various aspects of the operations of the Association and our employees. The 2019 Board Liaisons are:

- Communications:** Keith Dalton **Governance:** Kim Norwood and Larry Kontz
Design Review Committee: Patty Greeves **Heavy Equipment, Forest Refuse Site and Roads:** Jim Matteson
Election Committee: Keith Dalton **Horse Corrals:** Patty Greeves
Fish and Lakes: Larry Kontz **Patrol:** Dick Bloss and Kim Norwood
Forestry: Dick Bloss **Noxious Weed Control:** Patty Greeves
Foreclosed Lots: Larry Kontz

We could not function and provide the services we do without our outstanding employees; from our Patrol team, Heavy Equipment, Automotive Mechanic and Grooming, Forest Management, to Design Review and Communications. Each of them brings special expertise to their area of responsibility. If you meet them, give them a big thank you for all they do for all of us! Life at Arrowhead would be very different without them.

We have been working on the proposed restated and amended Regulations for two years. In December, we posted a full draft on the website for owner review. Please take the time to read this document and send your comments to aiaowner1@gmail.com Additionally, during the next several months, members of the board will be holding meetings with owners to get final input, comments and suggestions before a final vote. Watch your mail for notice of the times and place of the meetings. Your involvement is important!

There are openings on the Design Review Committee and the Election Committee. If you are interested in serving, see the notice in this edition of Smoke Signals.

There is no other place as special as Arrowhead! We are a unique community with owners: owner enjoying their property in different ways and at different times of the year. We welcomed many new home and lot owners last year and expectations are we will have another robust real estate year. YAY!

I look forward to hearing from you.

Patty Greeves
AIA Board President

Jan. 22	6:30 AM	12 deg.	5"	84"	34"	light snow
Jan. 23	5:30 AM	2 deg.	trace	84"	33 1/2"	clear
Jan. 24	7:30 AM	16 deg.	3 1/2"	87 1/2"	35"	overcast
Jan. 25	5:30 AM	12 deg.	trace	87 1/2"	34"	clear

Visit our AIA website, www.arrowhead1.org and check out our new Arrowhead Weather section. There, you will get the most up-to-date Area Forecast, Cams & Conditions AND Snow Reports

Winter has truly arrived in Arrowhead. We've been getting a good bit of snow so Will has been busy keeping the Alpine Plateau Road and the parking lot cleaned up and Curt has more snow to work with so the filing roads should be in better condition than they were earlier in the season. When you see these folks, please take the time to thank them as they do work hard to make our lives easier

All of our snow equipment is running good so we don't anticipate any issues in that area. Curt has really done a good job of getting things back in shape.

We have also been refreshing our road signs to make them more legible and to repair or replace the ones that have fallen into disrepair.

Just a bit of a reminder; we sometimes need to plow the parking lot so if everyone can be sure to remove their vehicles and snow machines out when that request goes out it would make the clearing task a lot easier. Please be cognizant that we have a Helicopter landing zone where the road into the parking lot meets the Alpine that we must keep clear so when we put out the parking lot clearing request do not park in the landing zone.

As usual, when you encounter equipment working don't assume the operator can see you as they are busy operating and may not know you are near. Make sure the operator acknowledges you and signals that it is okay to approach or pass before proceeding.

When traveling on the Alpine please keep in mind that the shoulders and ditches are soft and your vehicle will be drawn off of the road and can get stuck requiring help to get back on the road. Slow down particularly when approaching other vehicles or blind corners. If you are traveling slower and run off the road it means you won't go so far off the road and your chances of getting out without assistance are a lot better. Remember, the vehicle going uphill has the right of way so if you need to stop to allow them to pass please do so.

Enjoy the wonderful winter in Arrowhead!!

The Forest Refuse Site is CLOSED until further notice!

A new location is in the development phase on Arrowhead's own property. While this process has taken more time than we anticipated, all residents and contractors are encouraged to stock pile their forest refuse on their own lots until the new site is completed.

FOREST REFUSE SITE
CLOSED AREA
UNTIL FURTHER NOTICE

Everyone's patience is appreciated during this transition and relocation period.

Please do NOT attempt to burn your forest refuse in your fire pits nor to haul it up country for disposal. This is strictly prohibited by the Forest Service (USFS) and is punishable by law.

Thank you!

LET'S TALK TRASH

Checking and running the trash compactor at the winter parking lot is a task that Patrol shares with Will and Curt. Like the Forest Refuse site, the compactor is not something the Association is required to provide...but it sure is nice to have.

Here are the two signs on the access door that all should read and heed.

The sign to the top left tells you what can go in the compactor. AIA employees have pulled out herbicide containers, paint thinners, lawn chairs, and even a gas grill. The biggest culprit is cardboard which is the first item listed on the sign. Note the (bottom photo on the left), latest pile of forbidden junk that has been pulled out and of what it's mainly composed. Getting this stuff out is a pain and can be hazardous.

The sign on the right reminds us that this service costs money, something the Association is trying to stretch. A single family unit, in Montrose, is charged \$14.40 a month. So, it seems that Arrowhead property owners are getting a good deal. But, like Netflix, many use it but few pay. As the sign says, it's \$10 a month no matter how much or little it's used. Owners are responsible for payment even when their property is being used by renters or guests. Payment should be included with Association dues or can be paid directly to Patrol.

While the compactor is under video surveillance and a fine for misuse can be imposed, I hope it doesn't come to that. After all, it's the only Association bulletin board people actually look at. [CLICK HERE](#) to learn more about the RULES FOR THE USE OF THE TRASH COMPACTOR.

Design Review

by Earl Fay, DRC Manager

We haven't received any plans for 2019 yet, but our team is planning for a very busy 2019 building season. There's been many verbal inquiries for a wide variety of property owner-planned projects for 2019. The first formal DRC meeting is scheduled for March 11th, 2019.

A few reminders to help make your projects proceed smoothly:

- ❖ With the re-write and review of the DRC regulations that have been proposed, please keep in mind until they are approved by the Board of Directors, all projects will be reviewed based on the posted **2015 Revised Regulations**.
- ❖ Your plans can be submitted at any time, but we need them at a minimum one week prior to the scheduled DRC meeting for review.
- ❖ If your project requires a Gunnison County Building Permit, a Design Review Permit will need to be approved and issued, by the DRC, before the county will issue any permits, except for the installation of an OWTS (septic system). This document will be in addition to any other forms required by the county.
- ❖ The DRC uses the center pin to ensure no construction takes place on common ground and all structures are not within the required 10-foot setback of the lot perimeter. It is the owner's responsibility to locate the lot center pin and flagging the pin prior to DRC site review will speed up the process. Upon construction of a residence, or other structure, where the center survey stake of the site requires removal, or will be covered by a structure or pad, the owner must place four survey stakes equal distance apart on the perimeter of the site. DRC verification prior to construction and will be documented for the property file. Center stakes must be clearly marked and may not be removed without the prior approval of the Design Review Committee.
- ❖ If a center pin cannot be located or verified, a survey will be required at the owner's expense before construction may begin.

Design Review Members Needed!

The DRC is looking for three (3) volunteers to participate on the committee to keep up with the ever-growing construction projects pending on the mountain.

Meetings are generally scheduled the second Monday of each month from 9:00 AM to Noon.

Please send a letter of interest and resume indicating the skills you would bring to the committee to Earl Fay, DRC Mgr. at: earlfay.drc@gmail.com or phone should you have any questions: (970) 708-8034

The DRC is looking forward to a successful and exciting 2019 season and is excited to serve our community property owners!

Earl Fay, Manager
AIA Design Review Committee
earlfay.drc@gmail.com or call (970)708-8034

Foreclosed Lots

The Association has a duty to collect unpaid dues. When all efforts have been exhausted, foreclosure is sometimes an option.

The following **REDUCED TO CLEAR** foreclosed lot is currently listed with our local Realtors, **Arrowhead Ranch Real Estate** and **Tamarack at Arrowhead, Inc.** These Realtors can be contacted for information on this lot.

We encourage owners to consider looking at these lots and letting their family and friends know of the availability of this well-priced property:

Forestry Message

by Bill Conway, Forest Manager

Focus on the Forest

Although I had worked in forest management for over 30 years before buying a lot at Arrowhead, I soon discovered that I had a lot to learn about the high elevation mixed conifer and aspen forest that we live in. Questions from both new owners and not so new owners about trees on their property are to be expected and I encourage you to take advantage of my 13 years of experience at Arrowhead by contacting me for assistance. General areas that I can help you with include Insect and Disease concerns (See MCH pack information below), potential Hazard Trees around structures and parking areas, and Mitigation and Defensible space treatments to reduce the threat of wildland fire. An onsite visit usually takes about an hour to cover these subjects and get owners started on managing their trees.

If you haven't placed your order for MCH Packs, you can still do so by contacting me, directly in the next few weeks; by email at arrowheadforestmanager@gmail.com or phone or text at 541-729-6259. The price is the same as last year at \$1.21 each. If you can't be at Arrowhead to put them up in early June, I can make arrangements to have them put up for you.

Come Ride with Us!

Arrowhead Snowmobile Club

2018-2019 Season

SATURDAY CLUB RIDES

Starting in January, all rides will be on the 2nd Saturday of the month:

January 12th, February 9th and March 9th

Rides start at the Arrowhead Mountain Lodge @10:30 AM.

Breakfast at the AML is a great way to start your day!

The ASC will be having its first meeting of the season on Saturday, November 10th

Monthly meetings are held after the ride at 4:30 PM, also at the Lodge.

Join in the planning while you enjoy your favorite beverage!

FRIDAY MOONLIGHT RIDES

Weather permitting, January 18th, February 15th and March 22nd

Meet at the Arrowhead Mountain Lodge @ 7:30PM

or have a fantastic dinner before at the Lodge!
