Attention Arrowhead peeps: This grooming machine will be coming up the Alpine on a trailer Tuesday sometime between 7am-9pm. If possible please avoid travel down the hill during this time. Patrol will be holding down hill traffic at Lake until it passes, as it is 102 ft wide. You likely will see this machine around the neighborhood over the next week or so as it's used on a demonstration basis for AIA, as well as up country for the snowmobile club. Thank you!
